

Jeff Huenink, CFO/COO

For the last 10 years, Jeff has been the CEO of a Florida-based environmental restoration company, and is a former member of the Florida House of Representatives. He successfully managed several businesses, one of which included an Initial Public Offering that was listed on the New York Stock Exchange. He has held the positions of CEO, CFO, and Managing Director for a variety of Florida-based businesses. Jeff completed undergraduate studies in Finance and Marketing at the University of South Florida and has been named an outstanding alumnus of USF's College of Business. He won two USF Fast 56 awards in 2022 and 2023 for his success in managing one of the 56 fastest growing alumni businesses in the world.
